Macromedia Dreamweaver 4 Fireworks 4 Studio

UPGRADE FROM: £149 ex. VAT

- Working with a familiar user interface allows designers to work in any Web design application
- Really make your Web site stand out from the crowd with pop-up menus, interactive buttons and more
- Easily navigate and edit using the new Layers panel
- Free reference guide by O'Reilly Publishing

Macromedia UltraDev 4 Fireworks 4 Studio

UPGRADE FROM: £179 ex. VAT

- Connect to any database to create catchy e-business Web sites, such as store fronts, directory listings, customer registrations, and more
- Design, optimise, and integrate graphics into HTML for efficiency
- Produce the smallest, highest-quality files in the fewest steps possible
- Free reference guides Wrox Publishing

Macromedia Dreamweaver 4

UPGRADE FROM: £99 ex. VAT

- Get reference information as you need it with JavaScript, HTML, CSS and Browser DOMs
- Design complex pages fast using the techniques you know, with the new Layout View
- Coding has never been this easy - access the integrated Text Editor or choose a split screen view

Macromedia Fireworks 4

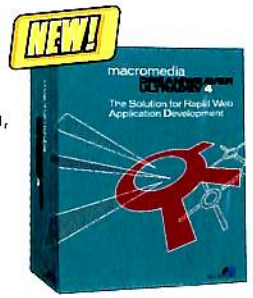
UPGRADE FROM: £99 ex. VAT

- Multilevel pop-up menus give your site a handy step-by-step visual environment
- Accessible controls mean you can easily adapt simple animations across multiple frames
- Smoothly shift from one Macromedia Web design application to another using the common user interface

Macromedia Dreamweaver UltraDev 4

UPGRADE FROM: £99 ex. VAT

- Rapidly develop ASP, JSP and CFML Web applications in one visual environment
- Preview live data as you design, while maintaining total control over source code
- Quickly connect Web sites to databases, and edit live data in the workspace



Macromedia Flash 5 FreeHand 9 Studio

UPGRADE FROM: £179 ex. VAT

- Produce beautifully printed materials and high-impact Web experiences with minimal effort
- Illustrate, design and present in Macromedia FreeHand 9
- Seamlessly import your Macromedia FreeHand 9 files into Macromedia Flash 5
